TITAN Group enters into exclusive negotiations to acquire Vracs de L'Estuaire cementitious business in France strengthening its presence in Western Europe

TITAN Group has entered into exclusive negotiations to acquire Vracs de L'Estuaire, a Company with state-of-the-art facilities, including a grinding plant located at the port of Le Havre in Northern France.

The facility is ideally positioned to serve one of the largest and fastest-growing markets in Europe. This strategic investment strengthens TITAN's presence in France, building on its existing operations in the Marseille market, and marks an important step in further accelerating the implementation of TITAN's innovation and decarbonization agenda, providing an additional platform for serving the customers with the Group's low carbon cement and pozzolanic based alternative cementitious materials.

The signing of the transaction is subject to the notification of employees. The closing of the transaction remains subject to customary legal procedures and is expected in the first quarter of 2026.
